Hi, Jackson. Our agenda today is about the details of
the poster from this client in Osaka.

So, where should we begin?

This client owns a gym. He wants us to make a poster
for their summer promo. Here's my plan for the design.

Looks great, Aya! This poster is as eye-catching as
that billboard outside. That tagline is very catchy.
People will love it!

Thanks! I need you to draw the cartoon for the poster.

Alright! What's the size of the poster?

The client says they need it to be 24 inches wide and
36 inches tall, so it can easily be noticed by passers-by.

Hmm. So, the poster will be half as
tall as I am.

That's right. Do you think you can
finish the cartoon tomorrow?

Sure! I'll work on it as quickly as I can.

Miku

Excuse me, could you tell me how to get to Miyako Convention, please?

Sure! It's not far from here. First, you'll have to turn left on Blue Street. Turn right on Green Street and walk straight ahead until you reach the crosswalk on Purple Street. When you cross the road, you'll see the shopping mall. Turn left and walk past the shopping mall. The Miyako Convention is between the pub and the bank. It is opposite the hospital.

Bo

How long does it take on foot?

It only takes 4-5 minutes to get there.

I see! It's very near. Thank you so much.

You're welcome!

Let's go, Miku. We don't want to be late for the event.

Alright, let's go.

• Franc

From here, you have to go straight until you get to the roundabout. Turn left on Takashi Street. Then, go over the bridge at Yamashina Street. Go past the museum and turn right. Walk along Sanjo Street and you can find the brewery on the right.

See you!

• Bo

Neither did I. At last, it's finished. We can now go somewhere to relax. How about some drinks?

We'd love to, but we don't really know the location.

Thanks for telling us the directions. We'll see you there in a bit.

I see. What food goes well with sake?

It depends. I like to have seafood or
some spicy deep-fried food.

Why do you like coming here?

I absolutely like this brewery. Brewers do the entire

Thanks, Olivia. Let us unwind first and get back to work soon afterward.

Cool. I'd love to, Aya.

I think I badly need a breather this time.

I'm really frustrated right now. I spent a long time editing my work, but my computer suddenly shut down. I failed to save my work.

I will just try to redo it later. Anyway, this coffee machine will work, won't it?

Yes, I have it here.

Sure, Aya. Here you go!

Hello, ladies. Can you do me a favor? I have a large amount of work to do today.

Sure thing. What is it, Lina?

The board of directors is currently on their way to our office. Could you please buy me two boxes of pizza and a few cans of soda?

All right, Lina. Aya and I will do it.

Thanks to you both. But could you also include 3 bottles of water? The committee feels so parched now.

Everything is fine. No worries. I had been busy last week until I completed the negotiations with my clients.

Bo

Well, the clients were certainly tough, but I managed to close a good deal with them in the end.

I hope so. I had not eaten a decent meal since then. I had to rush to places every day to meet clients. I had to either buy a sandwich, or cook my own meal, and you know I'm a bad cook.

Of course not. I'm even glad you called. At least I have someone to talk to about the crazy week I had.

You are right. He is one of the cleverest people I know. Let's give the boss our full cooperation to fix this issue.

I just had a call with Mr. Tanaka this morning. He said that he had checked the report you submitted to him last night and we would have a meeting regarding last month's sales.

He compared the number of sales per month we had this year and said that last month did not reach its target sales. We will probably have more work to do this month to compensate.

Don't feel so disappointed. Cheer up. I'm sure Mr. Tanaka had already worked out a solution to the problem.

Aya had been taking a nap for longer than an hour when the door opened. It was Steve. He had been looking for Aya before he went inside the nap pod. He was shocked as he saw Aya had been sleeping during work hours. Steve was a bit annoyed at this. He wanted to wake her up, but she had been snoring a lot. On the way back to his office, he met Olivia on the stairs. He asked Olivia to wake Aya up.

Olivia knew that Aya slept like a rock. She had been thinking of ways to wake Aya. Suddenly, Olivia had a brilliant idea. She got a cup and filled it with water. Just as Olivia was about to pour water, Aya suddenly woke up. She had been having a nightmare about getting a job suspension. Aya stood up surprisingly and thanked Olivia. She immediately went to Steve's office and asked for an apology.
