## General review

Fill in the blanks with the correct words you learned from this unit.

O\_\_\_\_\_ is one of the most famous vegetables around the world despite its strong taste and smell.

The onion is a common ingredient in much western food like p\_\_\_\_\_ or h\_\_\_\_\_.

In some Asian countries, onion is used in making sauces. C\_\_\_\_\_ in the Philippines is typically made of dark soy sauce, chilies, and onions. H\_\_\_\_\_ in China goes well with soup that you can make by mixing different ingredients. Of course, this soup must have onions.

Moreover, this vegetable is not only an ingredient in cooking, making sauces or soup, but it can also be made into a beverage that is a cure for common illnesses.

The next time you catch a cold, you can drink a c\_\_\_\_\_ of onion tea.
