Review

Fill in the blanks with the given letter.

We experience different kinds of weather everywhere around the world. Sometimes, we experience extreme weather like hot sunny days, or f 1 cold snowy days.

However, we also experience some lovely weather.

When the weather is m 2, people love to go out because they can do many activities like jogging, swimming, fishing, and many more. People seem to like warm days better. But when it gets h 3, make sure to bring a towel to wipe off your sweat.

On a cool day, we sometimes feel a d 4 dropped on our skin as we walk around. In some areas, it gets m 5 that you could hardly see what's ahead, so be careful. The good thing about a cool day is that it helps us relax our minds when we feel stressed.
