

A red and white Volkswagen Type 2 van is parked on a dirt road in a tropical setting. The van is facing left, and its license plate reads 'AM 8110'. The background is filled with lush greenery, including tall palm trees and dense foliage. The scene is brightly lit, suggesting a sunny day. The van has a white upper body and a red lower body, with a white roof and a white front grille. The license plate is black with white text.

Review

Fill in the blanks with the given letter.

Poverty exists everywhere in the world, even in the most progressive nations. However, the living condition of the poor differs across countries. In developed nations, poverty means being unable to keep up with the standard of living determined by the society in which they live. It means that the poor can still meet their basic needs. But they do not have enough money for luxurious things. That is why some people g1 and have d2 because they force themselves to live a lifestyle they can't afford.

On another side of the world, poverty means being d3 of the most basic needs for survival such as food, clothing, and shelter. Hunger, a result of food s4, is an everyday sight. People experience extreme hardships in these places.

Free Talk

Learn the types of poverty and share your opinions.

Relative Poverty

The condition in which people lack the minimum amount of income needed in order to maintain the average standard of living in the society in which they live.

vs.

Absolute Poverty

The condition in which people are deprived of basic needs such as food, clothing, shelter, etc.

What type of poverty is it?

1. Tommy's family lives in a slum area. He only eats one meal a day, which explains his thin body. He doesn't go to school because his parents do not have a job.
2. Michael earns minimum wage a day. But it is not enough, so he also relies on government assistance in order to meet his basic needs.

Which type of poverty is more serious? Explain.
