

# O-MO-TE-NA-SHI English For Beginners:

Survival Kit With Super Easy Patterns

簡単！ 超初心者向け  
必要・最小限の『おもてなし英語』

STUDENT'S BOOK

# A Letter to the Student

Dear Student of English,

***Welcome to Omotenashi English for Beginners.*** The word ‘omotenashi’ can roughly be summed up as “the spirit of selfless hospitality”. It is the Japanese way of treating a guest. It blends a welcoming spirit with warmth, understanding, and above all respect.

This book will help you who need to be able to communicate confidently and effectively with foreign visitors to Japan in a spirit of omotenashi. It aims to show you ‘what you say’ in a variety of situations. But it is not enough merely to know what to say: one must also know how to say it. The book is primarily geared towards improving speaking and listening skills. In doing so, focused treatment of pronunciation features is important.

If you pronounce English words wrongly, foreign visitors to Japan will not understand you.

The course is short – each unit will take 25 minutes, but make sure that you review the lesson at home. ***This book contains some Japanese so that you can easily understand what to do.***

**I wish you success! Always remember “Practice makes perfect.”**

**Enjoy the course!**
