## My Party

We are having a birthday party today! It is April 12th and I will be 8 years old. I invited many friends.

They are all coming, but not Alex. He is on a trip with his family and cannot come. I do not know what kind of cake mom made for me. She is keeping it a secret and that is okay because I like surprises. I am so excited about it.

## My Party

It is eight o'clock. The children go to school by car every day. But they are walking to school today. It is ten o'clock. Mrs. Green usually stays at home in the morning. But she is going to the shops this morning. It is 1:00 p.m. She has finished her lunch. At about 5, she will prepare dinner for her children.
