

# SMART JUNIORS 1

## Does Appearance Matter?

### Lesson 30 Grammar Station II

# GRAMMAR LEAD-IN

- She is shopping for clothes for her 3-day summer vacation. What will she buy?

The screenshot shows a web browser window for 'SJ Fashion House'. The navigation bar includes 'HOME', 'MEN', 'WOMEN', and 'COLLECTION' (highlighted). A search bar contains 'Search Products'. A banner below the navigation says '< Check out our new summer collection! >'. The main content is titled 'SUMMER COLLECTION' and features four product categories, each with two checkboxes for quantity selection:

- T-shirts:** Three t-shirts (teal, orange, blue) are shown. Checkboxes for 'some' and 'any' are present.
- Shorts:** Three pairs of shorts (dark blue, black, light grey) are shown. Checkboxes for 'a few' and 'a little' are present.
- Handbags:** Five handbags of various styles and colors (orange, green, red, white, tan) are shown. Checkboxes for 'lots of' and 'a few' are present.
- Jewelry:** A pearl necklace, a gold necklace, and a pair of pearl earrings are shown. Checkboxes for 'many' and 'a little' are present.

## Countable Nouns

## Uncountable Nouns

### Some

for positive sentences  
for requests or offers

He's got **some** T-shirts.

- Choose one for each category and answer the questions to build a character.

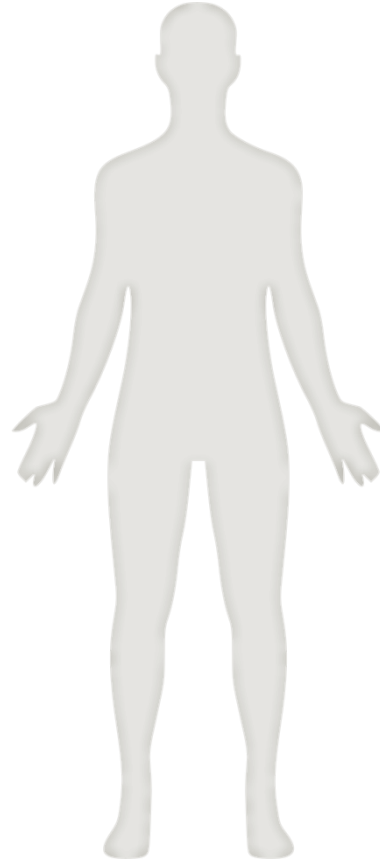

## Facial Feature

## Skin Color

## Body Type

## Clothing

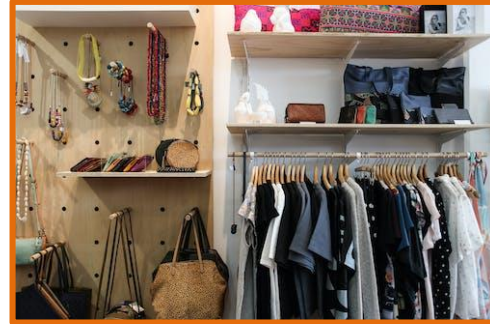

## Everybody, Everyone, Everything, and Everywhere

! **Everybody, everyone, everything, and everywhere have a plural meaning but they are followed by a singular verb.**

- ✓ Everyone dances.
- × Everyone dance.

- ✓ Everything is organized.
- × Everything are organized.

 **Have a try!**

**Identify whether the sentence is right or wrong. If it's wrong, correct the mistake.**

1. Everybody was surprised by the new hairstyle she had chosen.
2. Everyone enjoy wearing colorful clothes in the summer.
3. There are lots of people at the party, and everybody are smiling.

- **Choose the correct word.**

Clothes can help you enhance your appearance. Thus, (**lot of, lots of**) people love shopping. You can go (**somewhere, somebody**) and find (**something, not anything**) amazing that you love. (**Everyone, No one**) can find something they like, and no one goes home empty-handed. There are (**many, much**) choices and (**a lot of, a little**) options, like clothes, shoes, and jewellery. Shopping is not just about getting things, but also about having a great time. There are friendly people who can help you (**anywhere, nowhere**) you go. So, let your imagination guide you as you enjoy the exciting experience of shopping!

## Determiners
