- A neat copy

Today we'll ...

1

review how to
write a nonfiction
book review.

2

write a nonfiction
book review.

Nonfiction Book Review

A nonfiction book review means talking and writing about a nonfiction book you read.

Three (3) points to remember when writing a nonfiction book review:

The **beginning** names the title and the author.

The **middle** tells what the book is about and shares interesting facts.

The **ending** tells why you like the book.

Let's Review

Prewrite

Fact Sheet

1. I read What Is a Scientist? by Barbara Lehn.
2. The book is about what scientists do.
3. I learned that scientists ask a lot of questions. They do experiments. Sometimes they keep trying again and again.
4. I like this book because science is my best subject.

Revise

I read What Is a Scientist? by Barbara Lehn. The book is about what scientists do. I learned that scientists ask a lot of questions. They also do to solve problems experiments. Sometimes they keep trying again and again. I like this book because science is my best subject.
